Email: zainjamshaid55@gmail.com

I'm passionate about technology and community involvement. I'm excited about the opportunity to use my campus experience to support Arbisoft and build valuable connections.

EXPERIENCE

Team Invictus

March 2024 - Present

TeamMember

- Collaborated with a multidisciplinary team to participate in an international competition, DBFC (Design, Build, Fly Challenge).
- Attended technical workshops to enhance expertise in CAD modeling, aerodynamics, and structural design.
- Demonstrated strong leadership by motivating and mentoring fellow students to join the team and contribute to its success.
- Played a key role in project planning, problem-solving, and achieving project milestones

ACHIEVEMENTS

Microsoft Micathon

10 April 2024

As team leader in the Microsoft Hackathon, I guided my team to develop an innovative solution and secured third place.

EDUCATION

Ghulam Ishaq Khan Institute of Engineering Sciences and Technology

September 2023 - September 2027

Bachelor's degree, Computer Software Engineering

- Skills: Object-Oriented Programming (OOP) · C++ MERN stack

Forman Christian College (A Chartered University)

Present

Army Public School - (APSACS)

Present
